

# RAOUL ROBELLAZ KAHAN HONOURS SCHOLARSHIP IN CHEMISTRY

School of Chemistry and Biochemistry

2016

## Applications now open...valued at \$8,000

The **Raoul Robellaz Kahan Honours Scholarships** are available to students who intend to undertake BSc Honours in Chemistry at UWA in 2017.

More than one scholarship may be awarded, and will be paid to the successful applicant/s in two equal installments on or after the census date in each of the two semesters which make up their Honours year. Further details about the scholarship can be found in the terms and conditions attached to the application form.

### Eligibility...

To be eligible to apply for these scholarships, an applicant must:

- ◆ be a citizen or permanent resident of Australia; *and*
- ◆ enrol full-time, unless the selection body is satisfied that there are exceptional circumstances which preclude full-time enrolment; *and*
- ◆ be able to demonstrate that the award will assist them with their career and/or academic aspirations.

### Apply...

Application forms are available from the School:

- ◆ Reception, Bayliss Building, UWA
- ◆ Website <http://www.chembiochem.uwa.edu.au/courses/honours>

### Submit...

Applications to be submitted to the School:

- ◆ Reception Bayliss Building UWA
- ◆ Email [admin-scb@uwa.edu.au](mailto:admin-scb@uwa.edu.au)

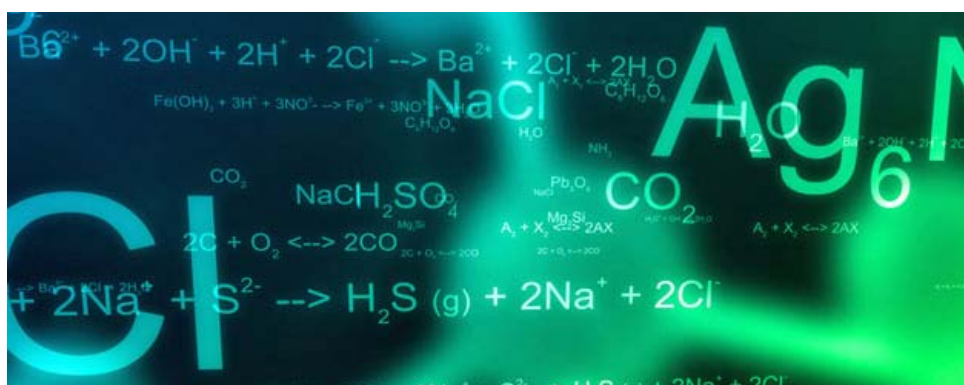

### Deadline...

No later than **WEDNESDAY, 21 DECEMBER 2016**

*"The scholarships were established by Ms Jean Kahan, in her father's name, to encourage students to undertake Chemistry Honours. They will be awarded to the applicant who best demonstrates academic achievement and how receiving this scholarship will assist them to fulfill their interest in undertaking further study or employment in the field of chemistry."*

Professor Mark Spackman

Head of School
