

RAOUL ROBELLAZ KAHAN HONOURS SCHOLARSHIP IN CHEMISTRY

School of Molecular Sciences

2019

Applications now open...valued at \$8,000

The **Raoul Robellaz Kahan Honours Scholarships** are available to students who intend to undertake BSc Honours in Chemistry at UWA in 2019.

More than one scholarship may be awarded, and will be paid to the successful applicant/s in two equal installments on or after the census date in each of the two semesters which make up their Honours year. Further details about the scholarship can be found in the terms and conditions attached to the application form.

Eligibility...

To be eligible to apply for these scholarships, an applicant must:

- ◆ be a citizen or permanent resident of Australia; *and*
- ◆ enrol full-time, unless the selection body is satisfied that there are exceptional circumstances which preclude full-time enrolment; *and*
- ◆ be able to demonstrate that the award will assist them with their career and/or academic aspirations.

Apply...

Submit your application online at:

- ◆ <https://pandora.grs.uwa.edu.au>

Deadline...

No later than Friday 1st March 2019.

"The scholarships were established by Ms Jean Kahan, in her father's name, to encourage students to undertake Chemistry Honours. They will be awarded to the applicant who best demonstrates academic achievement and how receiving this scholarship will assist them to fulfill their interest in undertaking further study or employment in the field of chemistry."

*Professor Charlie Bond
Head of School*
