

School of Molecular Sciences Honours Project Preference Form

This form acts as an expression of interest in our Honours courses. It is appreciated that students may be exploring Honours in more than one Program.

Phone the School of Molecular Sciences Office (6488 4402) to be referred to the appropriate Coordinator to discuss any questions you may have. For Biochemistry & Molecular Biology or Genetics this is Associate Professor Josh Mylne (joshua.mylne@uwa.edu.au), whereas for chemistry it is Associate Professor Keith Stubbs (keith.stubbs@uwa.edu.au).

Please return this form to the Molecular Sciences School office by 20 December 2018 to increase your chance of securing a position with your first preference supervisor.

This is an internal deadline for expressions of interest. Formal applications to the Honours Program need to be submitted by late January 2019; see <https://study.uwa.edu.au/courses-and-careers/honours>

I AM INTERESTED IN AN HONOURS PROGRAM IN:

Biochemistry & Molecular Biology

Genetics

Chemistry

Note: You need to fill out a separate form for each Program if you are applying for more than one.
